

General Production Operative: Graders / Packers

R S Cockerill supply potatoes to the discount retailers and foodservice industry. We are looking for General Production Operatives to work on various production lines at our base at Dunnington, just East of York.

Job role

Reporting to the Production Manager, you will be required to:

- To work in a friendly environment either potato grading at the start of the production line or working at the end of the line packing finished product into trays / shippers.
- The Ideal candidate should have previous experience working in a production environment, other candidates will be considered pending previous work experience. (Full training will be given).
- Candidate must be able to work under pressure due to high customer demand.

Job requirements

Candidates will be expected to possess:

- Good level of communication skills, with the ability to understand and share verbal instruction in English.
- Able to work as part of a team, and take instruction from line managers and supervisors.
- Show full co-operation and awareness of company Health & Safety policies and procedures.
- Ensure that all company policies and procedures are adhered to.
- Access to own transport due to location.

Prospects

- The company considers new / existing employee's with the right criteria to develop within the business during employment.

Pay and benefits

We can offer:

- Various Full Time Shift Patterns
- Part Time shift:- 2 days per week – Sunday & Monday
- Good, clean restroom and facilities, with vending machines.
- Shift start time 0600 hours.
- Hourly paid (weekly), with excellent earning potential.
- Full PPE will be provided.
